PROJECT MANAGEMENT AND BIDS EXPERIENCE

2002	Led institutional bid to Higher Education Funding Council (HEFCE) for Capital Equipment funding for Roehampton University for £630,000
2001	Directed Women's World Lacrosse Cup in England with turnover of c.£500,000, including grant bid to Sport England and management of their grant for £55,000.
1999	Led successful institutional bid to HEFCE for Capital Equipment funding for Teaching and Research. Three year funding agreed at £240,000. Programme of work successfully completed and signed off by HEFCE.
1998-9	Joint project with The Learning Circuit (commercial organization) to manage a one year pilot project looking at regional C&IT training programmes for the community. Project Officer appointed was managed by myself. Programme and report delivered on time.
1998	Successful bid to JISC to make Roehampton one of the JISC Information Strategy Exemplar sites (8 UK institutions). £5,000 grant. Action plan and report completed.
1971 – 2012	Successfully delivered design and project planning for new and refurbished University Library buildings, managed the moves logistically and ensured appropriate services continued to be available throughout. (Birmingham Polytechnic (2 buildings), South Bank University (2 buildings) and Roehampton University. Projects ranged from £500,000 to £20million.
